

جامعة حمد بن خليفة  
HAMAD BIN KHALIFA UNIVERSITY

**Hamad bin Khalifa University**  
**College of Public Health**  
**Assistant/Associate/Full Professor in Environmental and Occupational Health**

Hamad bin Khalifa University (HBKU), a member of Qatar Foundation for Education, Science and Community Development, in Doha, Qatar, is an emerging world-class research-intensive university that is planning to build its foundation upon unique collaborations with the best international institutions including Carnegie Mellon University, Texas A&M University, Weill Cornell Medical College, and Northwestern University. The College of Public Health (CPH) is HBKU's newest college and aims to educate leaders in academic public health and public health research by, creating innovative solutions to public health issues that have global impact, in line with Qatar National Vision 2030. The CPH will initiate its first academic program, Master of Public Health (MPH), in Fall 2016 and aims to recruit outstanding scholars from all over the world. HBKU is located in Doha, the capital of Qatar, a vibrant modern city that is rich with cultural heritage.
